About the author . . .

MARY SHARON MOORE, writer and retreat and workshop facilitator, is dedicated to awakening Christian men and women, young adults and youth, to God's calling. Her work flows from the belief that all of us are called to live, as Jesus did, generously, imaginatively, and lovingly for the sake of the world. *Living in God's Economy* makes that calling easier for households who are ready to respond.

Mary Sharon has been igniting audiences with faith, insight, gentle humor, and practical wisdom since 1990. Come and catch the fire!
