

Awakening Vocations . . .

A unique and powerful four-step process for your parish, deanery cluster, or diocese

1. The introductory **“Culture Café”** invites parish, deanery, or diocesan leaders, in a relaxed setting, to explore the meaning, implications, and process of developing an effective and integrated vocational culture within the parish.
2. The parishwide one-day **“Awakening Vocations”** PowerPoint workshop unfolds a theology of vocation that links Baptism, the Church’s sacramental life and mission, and God’s unique calling and the individual’s free and gifted response, with simple steps for the vocation discernment process.
3. The one-day **“Core Team Immersion”** PowerPoint workshop, for all those who touch or shape the parish’s spiritual and intellectual formation of adults and youth, examines, the U.S. Bishops’ pastoral plan **“Our Hearts Were Burning Within Us,”** with a particular focus on lifelong vocational catechesis.
4. **“Vocational Guide Formation,”** a one-day PowerPoint training, prepares men and women in the parish who are especially skilled in listening and insight to serve as **“in-house”** vocational guides for fellow parishioners in vocation discernment in all steps of life.
